To David Ballard,

David, I wanted to thank you and your company for making my summer more enjoyable than ever. When my husband started traveling with work my pool was being neglected and that left me home with unhappy kids and a green pool. I tried to keep up with cleaning my pool myself, but life took over and I never seemed to get it right.

After hiring your company for regular maintenance, my pool has been **shiny and blue** and we have been swimming like fish! I don't have to say no to swimming and that makes for a happy mommy and kids. I am looking forward to the rest of the year and concentrating on my tan!

In my business as a realtor I am happy to have someone I trust and feel good about referring business to. I will gladly refer your company to all my friends ,neighbors, and clients to let them know to expect professional and friendly service.

Thanks so much!

Sincerely,

Rachel Hecker
