Horizon Pool & Patio

Great Customer Service, Reliable and Friendly

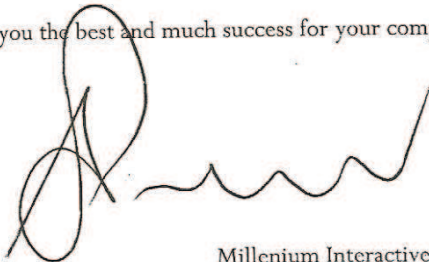

I wanted to put in writing the great service you provide in keeping my pool clean and maintained.

Your man, Joseph, is friendly and courteous to the point of making your company a pleasure to work with. His attitude and willingness to help and go above the call of the service is outstanding.

Knowing you and your company for many years and getting to know Joseph as the type of employees you have on your payroll makes it a great pleasure referring my clients, colleagues and anyone with a pool without any hesitation.

It's always a pleasure recommending the services of my clients and colleagues and in your case I look forward to giving your name out.

I wish you the best and much success for your company.
